

Abby Dowdy, Psy.D.

Rural Representative

Term Expires: 12/31/2024

I completed my Doctorate in Clinical Psychology from Eastern Kentucky University in 2020. Prior to that, I received a Masters Degree from the University of Indianapolis and an Undergraduate degree from Transylvania University. I am originally from Murray, KY and I have returned to my community to practice. I am the first and only Psychologist at Murray-Calloway County Hospital and I am so proud to be creating this care line in the community that raised me. I am passionate about serving Murray and the surrounding rural communities, as well as the integration of mental health and collaborative care.
