

****Monthly Option Terms**

The Monthly Billing option is available for Full KPA Members with an annual fee of \$50 or more.

To use the monthly billing option, a valid credit card is required. Your Monthly Membership fee will be automatically charged on a monthly basis for the current membership year on the first day of every month. You agree that KPA will not be obligated to send you any advance billing notices or confirmations that your credit card has been charged.

Your right to access KPA benefits is conditional upon our receipt of payment. If payment cannot be charged to your credit card or if a charge is refunded for any reason, including chargeback, we reserve the right to immediately and without notice, change your membership status to inactive. You are required to pay the remainder of you membership dues and any amounts still owed to us at the time your account is suspended or terminated. You agree to have your credit card charged for the remainder of the current year membership fees.

Your monthly payments will be set to automatically continue for the following membership year but you will receive notification by email one month prior to your next renewal date giving you the option to cancel your monthly membership. Details on any rate changes will be provided at that time. If, at any time, you would like to withdrawal from the automatic billing option, you may request that you credit card be charged the remainder of the current year membership dues or you may send a check to the KPA office at 120 Sears Ave, Ste 214, Louisville, KY 40207.
